MicroFrance®

HOUSE OTOTOLOGY INSTRUMENT SET

Medtronic ENT and Dr. John House have combined the quality and innovation of MicroFrance® products with the elite reputation of the House Ear Institute to create this complete otology instrument set.

This instrument set can accommodate a variety of otologic procedures. It contains 17 MicroFrance precision instruments, including the House-Dieter Malleus Nippers, House Retractors, cupped forceps, micro-scissors, fascia press, knives, picks, and hooks. A diverse selection of Medtronic ENT German instruments rounds out this complete otology set.
