CORRIGENDUM

Health behaviors and their correlates among participants in the Continuing to Confront COPD International Patient Survey [Corrigendum]

Müllerová H, Landis SH, Aisanov Z, et al. *Int J Chron Obstruct Pulmon Dis.* 2016;11:881–890.

On page 882, right column, second paragraph, the sentence “The primary hypotheses were addressed using the PAM-13,² and Morisky Medication Adherence Scale (MMAS)-8.¹⁸ should have read “The primary hypotheses were addressed using the PAM-13,² and Morisky Medication Adherence Scale (MMAS)-8.^{18,40,41}

On page 882, right column, last paragraph, the sentence “Adherence is classified as low (score 1–5), medium (score 6–7), or high (score 8) according to the overall score.” should read “Adherence is classified as low (score <6), medium (score 6 to <8), or high (score 8) according to the overall score.”

On page 886, Table 3, the copyright statement “Use of the ©MMAS is protected by US copyright laws. Permission for use is required. A license agreement is available from: Donald E Morisky, ScD, ScM, MSPH, Professor, Department of Community Health Sciences, UCLA School of Public Health, 650 Charles E. Young Drive South, Los Angeles, CA 90095-1772.^{18,40,41}” was not included in the Note section.

On page 882, right column, last paragraph, the sentence “Each question is given either a dichotomous or Likert scale-type response resulting in an overall score which ranges from 1 to 8, with higher scores indicating greater adherence.” should have read “Each question is given either as a dichotomous or Likert scale-type response resulting in an overall score which ranges from 0 to 8, with higher scores indicating greater adherence.”

On page 889, Acknowledgment section, the acknowledgment read “The survey was conducted by Abt SRBI, a global survey research firm. The authors would like to acknowledge editorial support in the form of draft outline manuscript development, assembling tables, collating author comments, and copyediting which was provided by Kate Hollingworth of Continuous Improvement Ltd. This editorial support was funded by GSK. This study was funded by GSK.” However it should have read “The survey was conducted by Abt SRBI, a global survey research firm. The authors would like to acknowledge editorial support in the form of draft outline manuscript development, assembling tables, collating author comments, and copyediting which was provided by Kate Hollingworth of Continuous Improvement Ltd. This editorial support was funded by GSK. This study was funded by GSK. Use of the ©MMAS is protected by US copyright laws. Permission for use is required. A license agreement is available from: Donald E Morisky, ScD, ScM, MSPH, Professor, Department of Community Health Sciences, UCLA School of Public Health, 650 Charles E Young Drive South, Los Angeles, CA 90095-1772.”

On page 890, References, these references were not included:
